Vacation from school on the Highlands and Amazon Jungle Regions take place in July and August. Students from the Coastal Region are on vacation in March and April. Parks, rivers, the beach and the countryside are the favorite places for children to visit on those two months of vacation before going back to school. Your prayers are important to transform the lives of our children.

## Translation

Dear sponsor:

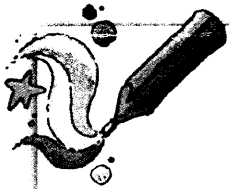

Hi today I would like to share with you about:

My holidays/school break

1. My holiday/school break is in the month(s) of: February, March and April
2. My favorite things to do during my holiday/school break is to play with the ball and go to the church and to the Sunday church school
3. Also I want to say that in October I turned eight years old but I didn't have money for the cake
4. I ask you to please pray for my father so that we don't lack the money
5. My holiday school break lasts for one week, three months
6. During my holiday/school break I like to travel to the beach
7. I want to thank you for sending me this letter, I thank you sponsor
