- 1. Dear sponsor Mr. Ephraim, hi, I am happy to greet you. I am fine, I am not at home because of the coronavirus, we can go to play and go to school. I like soccer. I celebrated easter with my family. I am a good soccer player. Here the coronavirus is not that bad, now we can go out. I like the gifts, cake and candies. I like to read, I prefer language books. There are no libraries in my school. I still have animals, a dog and a cat named Linda and Lupita. I have to go to school in these days that I am in exams, classes are in person. Here in my country you can get vaccinated but I haven't got the vaccine. I thank your letter and your gift, I could buy 1 pair of shorts, 1 shirt, and 1 underwear. I say goodbye, Tomas
- 2. Please pray for my family
- 3. I would like to ask you how are you? Do you have pets?
