A mon parrain /To my sponsor

Traduction /Translation

September 13, 2023. Dear Mr. and Mrs. Ephraim, I am glad to write you my letter. My family and I are doing well. During the vacation, I help my mother sell ice water. I moved to the upper class and we will soon resume classes. We were given school articles. I am looking forward to the school resumption. How are you and your family doing? Thank you for your love!
