A message to my sponsor

Date 24-02-2024

Dear mr/ms Ephraim.

I hope you are well and your family. I am doing well too and my family as well. I am doing well in my studies. I am participating in football/marathon. We also participated in tree planting in our school.

We are also breaking for half term in one week. At home people are busy preparing for planting season. I hope that God will provide enough rainfall. I am praying for you and your family that God provide you the desires of your heart.

Your sponsor/child
