## Traducción (Translation)

March 05, 2024. Dear Mr. and Mrs. Ephraim, it is a big pleasure to write this letter. I want you to know that my family and I are very well. I am very happy because I passed the grade and did not fail any subject. At the beginning, it was difficult, but I could do it at the end. Thank you so much for looking after me. I could buy groceries with the gift you sent me. Everything was very useful to my family and me. Thank you so much! I am doing well in math and I have been learning it little by little. My favorite music is reggaeton, though, I listen all kinds of music. Well, I wish with all my heart that God blesses you. Sincerely, Tomas. Please pray for my family. I would like to ask you, how is your family doing? SW/LP
