Dear mr/ms Ephraim Date 11/06/2024

Hello my friend.
Am very glad to communicate to you again.
How is your life there?
I appreciate your great love and prayers that you send to me.
Am doing well health wise and every thing is fine we are experiencing a dry season and the weather normally becomes too cold during morning and too hot during the day.
Besides that we are enjoying a lot of food that is bananas and beans. This holiday we learnt a lot at our project centre, that is mentorship programmes and sexual purity sessions were taught to us. I learnt how I can remain sexually pure and how I can protect my self from immoralities of the world.

We thank you for all you are doing to improve the quality of life of this child.

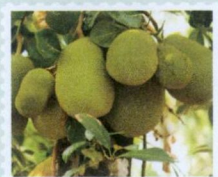

Maize is the most common staple food in Uganda.

Banana (Matooke):
Uganda produces the third largest amounts of bananas worldwide.

Coffee is one of Uganda's main exports.

Jack Fruit:
Most children in Uganda like eating jack fruit

Pineapple is one of the most common fruits in Uganda.

I learnt a verse in 1 Corinthians 15:58. There
fore my dear brothers give your selves fully
to the work of the Lord, because you know that
your labour in the Lord is not in vain.
I Love you

From your darling daughter
