## Traducción (Translation)

Date 08/16/2024 1. Dear Ephraim, I am so happy to write you this letter. I have read your letters. It is so good to hear from you, to know about you and your family. My family is fine, thank God. I am doing very well. I am 14 years old, I will be 15 in October. Here in my city it is cold at night, and in the morning it is very sunny. I really like soccer, as you already knew. I am very sorry to hear about your father's death, he is now in the presence of the Lord. In this letter I take the opportunity to answer your questions. I am fine, thank God. Yes, I want to continue playing soccer and in the future I want to be an engineer. I like reggaeton music. Well, I am saying goodbye. Thank you for all your letters and your love. May God bless you, until next time. 2. Please pray for my family and for me. 3. I would like to ask you: How are you emotionally? How is your family?
