Uganda's National Bird

Uganda Kob:

Uganda's National Animal

I am in Primary 5 / Secondary _____ / Other _____

Dear Mr/ms Ephraim Date 15/2/2025

Dear my friend

I first greet you in the name of Jesus Christ.

How are you? How is your life? Back to home, I am very fine. At home, we were harvesting crops like beans, maize, and many others, and in this, I have to help my parents on home activities like weeding, cooking, and sweeping the compound. On our project, we learn how to read the Bible, and we know to spread the word of God, and on our project, I have my friends like Mercy, Maria, and Tracy. At our school, I have promoted to primary five, and I have done seventeen aggregates in the end of term three exams 2022. I thank God for protecting me in my future and thank Him for protecting you and your family members.

So new how is the new year to you and your family.

Translation

We thank you for all you are doing to improve the quality of life of this child.

Maize is the most common staple food in Uganda.

Banana (Matooke):
Uganda produces the third largest amounts of bananas worldwide.

Coffee is one of Uganda's main exports.
