1. Dear Sponsor Mr/Ms Ephraim:

It is a pleasure to write this letter to you. I remember your question. I am in good health with my family.

And about the whales, I have to be on a boat to observe the whales. I am glad to know that you are already married and have children. Also, that you get along well with your cousin, and that you do sports and dialogue with her. And I don't have a bicycle or a motorcycle.

I am glad to know that you are well with your family, and about you, I miss your dad. It must be difficult for you because of such a great loss.

I also tell you that I like to accompany my dad fishing when he goes to catch shrimp.

I want to thank you for the photo; you both look very handsome with your husband. Thank you for your blessings.

- 3. I would like to ask you: [I would like to ask you] How old are you? Do you like any pets?
